Re: RE: FREEDOM OF INFORMATION ACT REQUEST

This is a request under the Freedom of Information Act, 5 U.S.C. § 552 and 40 C.F.R. Sections 2.100 *et seq.* We request that a copy of the documents described below be produced for inspection and/or copying:

DEFINITIONS

1. The term "ADMINISTRATIVE BOUNDARY" means the administrative boundary of an oil or gas field as defined by DOGGR. Attached as Exhibit A is a document showing the current ADMINISTRATIVE BOUNDARY established by DOGGR for the Elk Hills Oil Field.
2. The term "COMMUNICATION" means any oral, written, or electronic transmission of information, including, but not limited to meetings, discussions, conversations, telephone calls, memoranda, letters or correspondence, e-mails, telegrams, telecopies, telexes, conferences, seminars, messages, notes or reports.
3. The term "DOCUMENT" means handwriting, typewriting, printing, photographing, photocopying, transmitting by electronic mail or facsimile, and every other means of recording upon any tangible thing, any form of communication or representation, including letters, words, pictures, sounds, or

symbols, or combinations thereof, and any record thereby created, regardless of the manner in which the record has been stored. It includes all writings or COMMUNICATIONS in the agency's actual or constructive possession, custody or control or of which the agency has knowledge of the existence, and whether prepared, published, or released by the agency or by any other person or entity. "DOCUMENT" includes every copy of a DOCUMENT that is not identical to the original, whether because of notes made on or attached to such copy, or otherwise; and all other handwritten, typed, printed, recorded or graphic matter or sound reproductions, however produced or reproduced, and whether copies or originals, as well as any electronically stored documents, recordings, or files (including those stored on laptop computers), such as, for example, e-mails, and other documents stored on audiotape, magnetic tape, computer disks, computer hard-drives, CD-ROMS, videotapes, or optical forms of storage. For DOCUMENTS that exist in electronic form (even if they also exist in hard copy), the DOCUMENTS must be produced in their existing electronic format or in another electronic format that preserves any metadata associated with the DOCUMENTS.

4. The term "DOE" means the U.S. Department of Energy, and all directors, officers, employees, and agents thereof.
5. The term "DOGGR" means the California Department of Conservation, Division of Oil, Gas and Geothermal Resources, and includes any predecessor agency, and all directors, officers, employees, and agents thereof.
6. The term "ELK HILLS OIL FIELD AQUIFER" refers to any underground source of drinking water, as defined by Section 146.3, title 40, of the Code of Federal Regulations, located within the ADMINISTRATIVE BOUNDARY of the Elk Hills Oil Field. The term "ELK HILLS OIL FIELD AQUIFER" includes but is not limited to the TULARE ZONE.
7. The term "EXEMPTION" refers to the exemption of an aquifer under the SDWA, as provided for in Sections 144.7(b) and 146.4, title 40, of the Code of Federal Regulations.
8. The term "RELATED TO" means to constitute, contain, relate to, refer to, reflect, evidence, reference, touch upon, discuss, mention, concern, pertain to, support, summarize, analyze or in any way logically or factually connect with the matter discussed.
